# COPYRIGHT AGREEMENT AND LICENSE TO PUBLISH FORM

As the corresponding author, on behalf of all authors, I confirm that I/we agree with the following terms and conditions regarding the publication of the manuscript in the Journal:

a) The manuscript submitted is my/our own original work.

b) All authors have participated in the work in a substantive way and are prepared to take public responsibility for the work.

c) I am authorized by all authors to sign this License to Publish and Open Access Agreement on their behalf and to grant the Journal a non-exclusive, worldwide license to publish, reproduce, distribute, display, archive, and make the article publicly available in all media and formats.

d) All authors have seen and approved the manuscript as submitted.

e) The e-mail and postal addresses of all authors have been entered correctly into the journal manuscript submission and evaluation system.

f) The manuscript has not been published previously and is not being submitted to, or under consideration by, another journal or publisher, except where explicitly disclosed to the Journal.

g) The text, illustrations, tables, figures, and any other materials included in the manuscript do not infringe any existing copyright, moral right, privacy right, publicity right, or other right of any person or entity.

h) The authors retain copyright ownership of the article. Upon acceptance for publication, the authors grant the Journal a non-exclusive, worldwide license to publish, distribute, archive, and make the article publicly available in accordance with the Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License (CC BY-NC-ND 4.0). The journal is recognized as the original publisher of the article.

i) The published article will be made available under the Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License (CC BY-NC-ND 4.0). Under the terms of this license, third parties are permitted to copy and redistribute the article in any medium or format for non-commercial purposes, provided that:

- appropriate credit is given to the author(s) and the Journal as the original place of publication;
- a link to the Creative Commons license is provided; and
- the article is not modified, adapted, translated, transformed, or distributed in an altered form.

j) Where any copyrighted third-party material has been used, I/we have obtained all necessary written permissions and will provide copies to the Journal upon request.

k) I/we agree that any reuse of the published article must include proper citation details, including the article title, author(s), journal title, volume/issue, year, page range (if applicable), and DOI.

l) As corresponding author, I also warrant that the journal, its editors, and its publisher will not be held liable for any copyright claim or other legal claim arising from materials supplied by the authors. I understand that I/we remain responsible for the accuracy of these warranties and for any dispute arising from breach of them.

m) I/we also warrant that the article contains no libelous or unlawful statements; that no unlawful method or material was used in the research; that all necessary ethical approvals and legal permissions were obtained; and that the research was conducted in accordance with applicable ethical principles and regulations.
